OUTBREAK OF COVID-19 DECLARED OVER AT The HUB Child & Family Centre.

To whom it may concern,

The purpose of this letter is to inform you that the COVID-19 suspect outbreak that was declared at The HUB Child & Family Centre on June 30, 2021 has been ruled-out. HPEPH has deemed this suspect outbreak to be over as 14 days have passed with no evidence of ongoing COVID-19 transmission that could reasonably be related to exposures within The HUB Child & Family Centre.

To prevent further spread of the virus, it is critical that all HUB staff, clients, families, and related associates continue to practice public health measures intended to prevent the spread of the virus.

For employees and management, this means wearing face coverings, physical distancing and practicing good hand hygiene. Most importantly, all employees are advised to stay home and self-isolate if they are feeling unwell, notify their employer, complete the [provincial COVID-19 screening tool](#) and seek testing as directed.

For more information go to hpePublicHealth.ca, where you will find fact sheets, and information on COVID-19 symptoms and screening, [self-monitoring](#), [self-isolation](#), and testing. On the website you can also find the [COVID-19 dashboard](#) which provides up to date information on COVID-19 in Hastings and Prince Edward counties.

Sincerely,

Hastings Prince Edward Public Health
